136 S. 8th St Loan Proposal

Mr. Hartney explained that RACA sold 136 S. 8th St. to Community Action Lehigh Valley (CALV) in June of 2023. CALV plans to rehabilitate the property into a single family home that will be sold to an income qualified homeowner. The property will be deed restricted to maintain affordability and owner occupancy. CALV, in the course of rehabilitation, discovered significant structural issues and had to make emergency repairs to stabilize the property. This led to significant time delays and budget issues. Mr. Hartney explained that the City of Allentown has HUD funding in the project and reviewed a sources and uses budget with the RACA Board. CALV is requesting a \$150,000 loan from RACA to complete the project. Ms. Katherine Duque and Mr. Peter Lewnes of CALV were in attendance and answered questions about the proposed project. Mr. Jennings disclosed the fact that he is the former Executive Director of CALV. He retired from the organization in 2021. All agreed that he did not need to recuse himself from voting on the proposal as he is not involved in the management of the organization and has no financial interest in the proposal or organization.

MOTION: Mrs. Ortiz made a motion for the RACA Board to approve a \$150,000 loan to CALV at an interest rate of 5%. The loan and interest will be payable to RACA in 12 months or when the property is sold to the income qualified homeowner (whichever occurs first). The loan will be secured with a 1st lien position on the property. Additionally, CALV will enter into a developer's agreement with RACA and provide RACA with a deed of reconveyance. City Staff and the RACA Solicitor are authorized to effectuate all agreements required to facilitate this transaction.
